Lucas Bernard

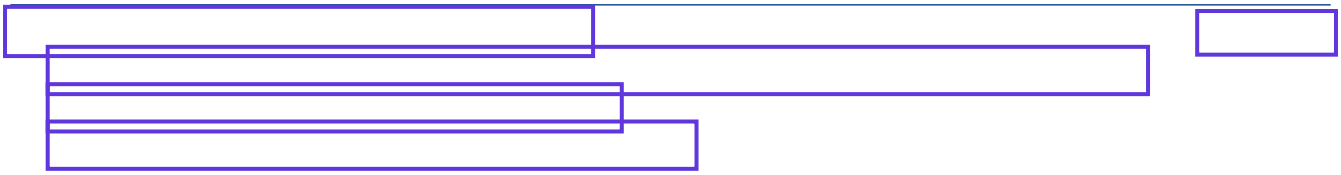
Junior Data Analyst

lucas.bernard@example.com · +1 555 0199 · Lyon, France · Born 2 July 1999

SUMMARY

Data analyst with 2 years of experience in reporting and dashboarding for an insurance claims team. I enjoy turning messy spreadsheets into clear dashboards and want to grow into analytics engineering.

EXPERIENCE



Data Analyst, Cobalt Insurance 2023 - present

- Maintain Excel and Power BI dashboards for the claims team.
- Write SQL queries to answer ad-hoc business questions.
- Document KPI definitions with the claims managers.

Business Analyst Intern, Cobalt Insurance 2022 - 2023

- Cleaned claims data in Excel for the quarterly review.
- Prepared slides summarising monthly claim volumes.

SKILLS

Excel, Power BI, SQL, PowerPoint

EDUCATION

MSc Business Analytics, Université Lumière Lyon 2, 2023

LANGUAGES

French (native), English (professional)
